

Railway Reservation System

Railway Reservation System is a system used for booking tickets over internet.

Any Customer Can book tickets for different trains. Customer can book a ticket only if the tickets are available

Customer searches for the availability of tickets then if the tickets are available he books the tickets by initially filling details in a form

Tickets can be booked in two ways by i-ticket or by e-ticket booking.

In case of i-ticket booking customer can book the tickets online and the tickets are couriered to Particular customer at their address

But **in case of e-ticket booking** and cancelling tickets are booked and cancelled online sitting at the home

and customer himself has to take print of the ticket but in both the cases amount for tickets are deducted from customers account.

For cancellation of ticket the customer has to go at reservation office than fill cancellation form and ask the clerk to cancel the ticket than the refund is transferred to customer account

After booking ticket the customer has to checkout by paying fare amount to clerk.
